

Kinleigh Folkard & Hayward c/o SHW

Monday, 21 September 2020

Dear Harry,

Flats 1-122, 2 Woods Road, London, SE15 2PX, SE15 2BB

I meet the professional body membership and competence criteria in respect of external wall systems as set out by the MHCLG. Tennyson Suite Limited is a Chartered Building Consultancy and is accredited to ISO 9001; OHSAS 18001; and BS EN ISO 14001. I, Patrick Scott, am a competent person, having a BEng (Hons) Fire Safety Engineering degree and Membership of the Institution of Fire Engineers (MIFireE), relevant experience and having maintained competence, including regular attendance at the IFE accredited annual International Tall Buildings Conference and having completed the IFE accredited Tall Building Fire Safety Management Course.

Tennyson Suite undertook an intrusive survey of the building Flats 1-122, 2 Woods Road on 5 August 2020.

The building, 2 Woods Road, as far as can be determined from the abovementioned intrusive survey, has achieved an B1 rating on the EWS1 form.

Yours sincerely,

Pat Scott
Technical Director (Fire Safety)
